**Request for quotation 02/2026**

### **INFORMATION FOR CONTRACTORS NO. 1**

**Question:**

*After analysing the documents, a question arises regarding quantity.*

*A concentration of 40 nmol is specified, but no value for volume/mass etc. is given.*

**Answer:**

The subject of the order is a lyophilisate (powder) with a specific concentration of 40 nmol – i.e. the number of molecules.
